Year-End Consolidated Receipts

Last Modified on 03/20/2023 1:05 pm PDT

When your donors donate, they will automatically be emailed a receipt of their donation, as set up in the Account Settings > Receipts and Notifications category. You can even resend individual receipts or download those individual receipts with a Reporting feature.

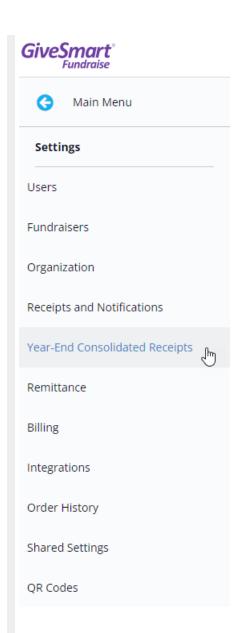

But if you want to send out a consolidated receipt for the year for your donors, for easier tax reporting, you can send to all your donors at once using the Year-End Consolidated Receipts function.

If you want to send one supporter a consolidated year-end report instead of everyone, you can do it from the Contacts page from People > Contacts.

To start, go into your Account Settings, by clicking on **Settings** under **Setup & Settings** in the left menu.

In the Settings, click on the Year-End Consolidated Receipts category on the left.

Contact Number: If you want your supporters to reach you by phone you can include the phone number here. By default, it will bring in the phone number added from the Account Settings > Organization category.

Compliance Message: This is automatically generated, but it is always a good idea to verify that everything is correct. It will bring in your Organization Name from the Account Settings > Organization category.

Save: Don't forget to click Save to save any changes you've made!

Schedule Your Email

When you open the Schedule Your Email section, you can click on the blank box to the right to select the date and time you would like to send the emails.

Use the calendar to choose the appropriate date and use the slider to choose the hour you would like to send the emails.

Click Done when you have the desired Date and Time.

It will then show you that date and time in the Schedule Your Email section. You can click the

Pencil icon to edit the date and time or the Trashcan icon to delete the scheduled email.

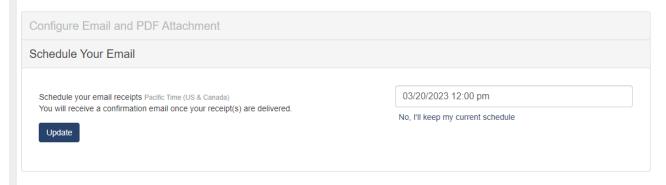

If you delete it, it will warn you before completing the deletion.

When you edit the date and time (the Pencil icon), it will show you the box again, populated with your existing selected date and time.

Click the box to change the date and time like before, and click Update when you are done.

Otherwise, you can click No, I'll keep my current schedule to cancel the change.

Now your consolidated receipts will be sent to all your donors for the year!
